EIM re-appointed Vice-President

Today, the General Assembly of EIM unanimously re-elected Lena Erixon, Director-General of Trafikverket, the Swedish Transport Administration as EIM Vice-President for a 2 year mandate.

EIM Vice-President Lena Erixon thanked all the members of EIM for their confidence and said, *"I am looking forward to further supporting EIM and the changing role of the infrastructure manager, going through change. The future infrastructure manager will be the pivot in a more multimodal environment with more stakeholders having more expectations and with EIM having to deliver answers to these. Let's build jointly the network of infrastructure managers of the future."*

The President, Antti Vehviläinen, congratulated Lena Erixon and expressed his keen interest in a continued and strengthened cooperation with Trafikverket.

The General Assembly endorsed the work done and the progress made by EIM so far.

EIM, the association of European Rail Infrastructure Managers, was established in 2002 to promote the interests and views of the independent infrastructure managers in Europe, following liberalisation of the railway market. It also provides technical expertise to the appropriate European bodies such as the European Railway Agency. EIM's primary goal is promoting growth of rail traffic and the development of an open sustainable, efficient, customer orientated rail network in Europe.
